|                            |               | <p>This Chiltern &amp; Thames League match was played on a cool and grey evening - uninspiring. As each of the three triples has to include at least one lady, it was necessary to recruit a female member to ensure that the team qualified on each rink. Unfortunately, we lost heavily (26 - 61) to a strong opposition. By the time the match ended, the light of the clubhouse gleamed brightly in the gathering gloom.</p> |   |
