

Date - 2024	Home/ Away	Match	WON LOST DRAWN
Saturday 27th July	A	High Wycombe BC versus Maidenhead Town BC	W
	5 triples	<p>Following all the usual planning and arrangements, this friendly match was scheduled to start at 2pm. Unfortunately, there was a traffic accident at the Pinkney's Green roundabout on the A404 at about 1 o'clock and half of the team was held up for over an hour while the emergency services dealt with it. Those who started their journeys later were warned of this problem and made their way to Maidenhead by different routes and arrived in good time. It was agreed over the phone that matches could be started with sufficient numbers and later arrivals were paired with those who had to wait. As a result, none of the selected teams on the rinks stood and players joined in where they could.</p> <p>At the end of a 15-end match, HWBC won four of the scratch matches and drew one. Maidenhead acknowledged our victory and an otherwise pleasant afternoon ended with the usual formalities. Scores were not publicised and so there was no recognition of a highest winning rink.</p> <p>The journey home was uneventful.</p>
