

Date - 2024	Home/ Away	Match	WON LOST DRAWN
Wednesday 4th September	H	High Wycombe BC versus Court Park (Friendly)	L
		<p>This match of three triples took place, despite a number of obstacles which included a clash with a popular gala which reduced the number of Court Park players and damage to the surface of the green caused by crows which are hunting leatherjackets. The law of unintended consequences gave us two teams of equal ability which resulted in a win for Court Park by 3 shots (42 - 45). We won on one rink and lost on two; our only winning rink was Chris Baker, Allen Wetherell and Jean Reeman.</p> <p>The sun shone fitfully but it was both warm(ish) and dry; the green ran as well as could be expected and there was no hint of rain. There is always a hint of regret about this fixture as it marks nearly our last outdoor match of the summer against another club.</p> <p>Thanks are due to Fran and Ian Smith who served the teas and Ray Fountain and Paul Derham for serving on the bar.</p>
