

PAIRS LEAGUE 2026 - RULES

15 ends. 4 woods. Match Fee = £2

No trial ends, only 1 shot on first end.

No visiting the head unless there is a dispute.

Dead ends are replayed. No rearrangement of matches.

HANDICAPS

The difference between the aggregate handicaps of the 2 pairs is credited to the higher handicapped pair at the start of the match.

eg Pair A have handicaps of NIL and 4, Pair B have handicaps of 2 and 3 - so Pair B start with score of 1.

SCORING

There are 6 points for each match split as follows:

Winning Margin	Points
12 +	6 - 0 (includes conceded matches)
6 - 11	5 - 1
1 - 5	4 - 2
Tie	3 - 3

If teams have the same number of points, league positions are determined by shot difference.

INCOMPLETE MATCHES OR TEAMS

A match is treated as completed if at least 8 ends have been played.

If a team cannot field a pair from its registered players, a club member who is not registered with another team can stand in. That person remains an un-registered player and can stand in for other teams. An un-registered player will be allocated a handicap, but will play off NIL if a handicap cannot be allocated in time.

By mutual consent, a match can be played as a SINGLES if necessary.
